However, no credit may be added after the eligible list has been established.

SCOPE OF THE EXAMINATION

There will be a written test designed to test for knowledge, skills and/or abilities in such areas as:

Name and number checking

These questions test for the ability to distinguish between sets of words, letters, and/or numbers that are almost exactly alike. Material is usually presented in two or three columns, and you will have to determine how the entry in the first column compares with the entry in the second column and possibly the third. You will be instructed to mark your answers according to a designated code provided in the directions.

Operations with Letters and Numbers

These questions test for skills and abilities in operations involving alphabetizing, comparing, checking and counting. The questions require you to follow the specific directions given for each question which may involve alphabetizing, comparing, checking and counting given groups of letters and/or numbers.

Customer service

These questions test for knowledge of techniques used to interact with other people, to gather and present information, and to provide assistance, advice and effective customer service in a courteous and professional manner. Questions will cover such topics as understanding and responding to people with diverse needs, perspectives, personalities, and levels of familiarity with agency operations, as well as acting in a way that both serves the public and reflects well on your agency.

Working with office records

These questions test your ability to work with office records. The test consists of two or more sets of questions, each set concerning a different problem. Typical record keeping problems might involve the organization or collation of numerical data from several sources; maintaining a record system using running balances; or completion of a table summarizing data using totals, subtotals, averages and percentages. You should bring with you a hand-held battery- or solar-powered calculator for use on this test. You will not be permitted to use the calculator function of your cell phone.

Test guide:

The New York State Department of Civil Service has not prepared a test guide for this examination. However, candidates may find information in the publication 'General Guide to Written Tests' helpful in preparing for this test. This publication is available on line at: <https://www.cs.ny.gov/testing/testguides.cfm>.

THE USE OF CALCULATORS IS RECOMMENDED: Candidates are permitted to use a quiet hand-held, solar or battery powered calculator. Devices with typewriter keyboards such as computers, spell checkers, personal digital assistants, address books, language translators, dictionaries and any similar devices are prohibited. **YOU MAY NOT BRING HIGHLIGHTERS, FIREARMS, BOOKS OR OTHER REFERENCE MATERIAL TO THE TEST.**

CROSS-FILER STATEMENT: If you have applied for other civil service examinations for employment with New York State or any other local government jurisdiction, you must make arrangements to take all the examinations at one test site.

If you have applied for both State and local government examinations, you must notify the City of Albany of your intent to take both a State and a local government examination. When taking both a State and a local government examination

you will be required to take all your examinations at a State examination center. You will be advised by letter when and where to report for your examinations.

If you have applied for other local government examinations, call or write to each Civil Service agency to make arrangements. You must make your request for these arrangements no later than 14 days before the date of the examination. You must notify all local government Civil Service agencies with which you have filed an application of the site where you wish to take your examinations. A cross-filer application must be completed for City of Albany examinations.

VETERAN'S CREDIT: Veterans or disabled veterans who are eligible for additional credit must submit an application for veteran's credit with their application for examination or at any time between the dates of their application for examination and within two weeks of the examination date. Veteran's credits can only be added to a passing score on the examination.

Effective January 1, 1998, the State Constitution was amended to permit a candidate currently in the armed forces to apply for and be conditionally granted veteran's credit in examinations. Any candidate who applies for such credit must provide proof of military status to receive the conditional credit. **No credit may be granted after the establishment of the list.** It is the responsibility of the candidate to provide appropriate documentary proof indicating that the service was in time of war, as defined in Section 85 of Civil Service Law, and that the candidate received an honorable discharge or was released under honorable conditions in order to be certified at a score including veteran's credits.

Veterans or disabled veterans who are eligible for additional credit must submit an application for veteran's credit and a DD-214 with their application by the last filing date of the examination. Applications for veteran's credit are available from this office by emailing Civilservice@AlbanyNy.Gov and on the "Info on Taking Exams" tab of the website. If you are claiming Veterans Credits, you must indicate it within the online exam application, answer all questions accurately and completely, submit an application and a DD-214 form. Candidates who are currently serving in the Armed Forces of the United States on a full-time active duty basis (other than active duty for training) may file for Veterans Credits by providing documentation of active duty status.

Veterans Credits will not be added after the establishment of an eligible list unless the candidate has submitted an application for credit and supporting documentation by the last filing date of the examination and a scoring error has been made. If an error has been made, you must notify our office in writing no later than 30 days after receiving your score.

If you are claiming credits as a disabled veteran, the United States Department of Veterans Affairs must also certify that you were disabled in the actual performance of duty in a war, that the disability is rated at ten percent or more, and that the disability existed at the time of application for appointment or promotion. In addition to the proof above, applicants must also submit a "Veterans Disability Records Release" form.

All requests for Veterans Credits must be verified and all statements you make in support of your claim for Veterans Credits are subject to investigation and substantiation by the City of Albany Civil Service Office. In the event of subsequent discovery of any material misstatement or fraud in your claim, your appointment may be rescinded and you may be disqualified from further appointment to any position on which you have been granted additional credits.

Effective January 1, 2014, additional Veterans Credits may be granted to veterans who (1) used non-disabled Veterans Credits to obtain a civil service appointment or promotion with New York State or a local government, and (2) were certified by the US Department of Veterans Affairs as having a service connected disability rated at 10% or more after that civil service appointment.

APPLICATION FEE WAIVER:

You can request a fee waiver through the online application when completing the application. You may also complete a "Fee Waiver Application and Certification" form and submit it to CivilService@AlbanyNY.gov by the date of the examination.

Exam fees may be waived if you are (1) unemployed and primarily responsible for the support of a household, (2) eligible for Medicaid, (3) receiving Supplemental Security Income payments or Public Assistance (Temporary Assistance for Needy Families/Family Assistance or Safety Net Assistance); (4) a certified Job Training Partnership Act/Workforce
