## **SCOPE OF THE EXAMINATION**

A test designed to evaluate knowledge, skills and /or abilities in the following areas.

### **Coding/decoding information**

These questions test for the ability to follow a set of coding rules. Some questions will require you to code information by converting certain information into letters or numbers. Other questions will require you to decode information by determining if the information that has already been converted into letters or numbers is correct. Complete directions will be provided; no previous knowledge of or training in any coding system is required.

### **Understanding and interpreting written material**

These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions only on what is presented in the passages and not on what you may happen to know about the topic.

### **Work planning and scheduling**

These questions test for knowledge of the principles used in developing and implementing work plans and for the ability to arrange work assignments in a manner that will achieve work goals while staying within scheduling criteria. This may include setting up vacation or work schedules, taking into consideration such factors as seniority, work skills, duty hours, and shift coverage.

### **Retaining and comprehending spoken information from calls for emergency services**

These questions test for your ability to retain specific information that is heard in calls for emergency service, such as a street address, or to comprehend spoken information from emergency service calls, such as determining the location of a site in relation to landmarks. Simulated 911 calls will be played via MP3 download. Immediately following each call, candidates are given audio instructions identifying which questions they are to answer within the test booklet. The questions that candidates are directed to answer for each simulated call will not be in sequential order. Candidates will need to retain and comprehend the information and instruction provided in this portion of the test to respond appropriately to the questions asked and to determine which questions to answer. The time allotted to answer these questions will be limited. At the end of each answer period, the MP3 download will automatically play the next call. Note paper will be provided. Candidates will be permitted to take notes and to refer to them when answering the questions.

### **Radio operations and dispatching procedures**

These questions test for knowledge of two-way radio systems and operations, and may cover dispatching procedures when appropriate.

### **Supervision and training**

These questions test for the knowledge required by a supervisor to set goals, plan and organize work, train workers in how to do their jobs, and direct workers towards meeting established goals. The supervisory questions cover such areas as assigning and reviewing work, evaluating performance, maintaining work quality, motivating employees, increasing efficiency, and dealing with problems that may arise on the job. The training questions cover such areas as determining the necessity for training, selecting appropriate training methods, and evaluating the effectiveness of training.

**Test guide:**

The New York State Department of Civil Service has not prepared a test guide for this examination. However, candidates may find information in the publication 'General Guide to Written Tests' helpful in preparing for this test. This publication is available on line at: <https://www.cs.ny.gov/testing/testguides.cfm>.

**THE USE OF CALCULATORS IS RECOMMENDED:** Candidates are permitted to use a quiet hand-held, solar or battery powered calculator. Devices with typewriter keyboards such as computers, spell checkers, personal digital assistants, address books, language translators, dictionaries and any similar devices are prohibited. **YOU MAY NOT BRING HIGHLIGHTERS, FIREARMS, BOOKS OR OTHER REFERENCE MATERIAL TO THE TEST.**

**CROSS-FILER STATEMENT:** If you have applied for other civil service examinations for employment with New York State or any other local government jurisdiction, you must make arrangements to take all the examinations at one test site.

If you have applied for both State and local government examinations, you must notify the City of Albany of your intent to take both a State and a local government examination. When taking both a State and a local government examination you will be required to take all your examinations at a State examination center. You will be advised by letter when and where to report for your examinations.

If you have applied for other local government examinations, call or write to each Civil Service agency to make arrangements. You must make your request for these arrangements no later than 14 days before the date of the examination. You must notify all local government Civil Service agencies with which you have filed an application of the site where you wish to take your examinations. A cross-filer application must be completed for City of Albany examinations.

**VETERAN'S CREDIT:** Veterans or disabled veterans who are eligible for additional credit must submit an application for veteran's credit with their application for examination or at any time between the dates of their application for examination and within two weeks of the examination date. Veteran's credits can only be added to a passing score on the examination.

Effective January 1, 1998, the State Constitution was amended to permit a candidate currently in the armed forces to apply for and be conditionally granted veteran's credit in examinations. Any candidate who applies for such credit must provide proof of military status to receive the conditional credit. **No credit may be granted after the establishment of the list.** It is the responsibility of the candidate to provide appropriate documentary proof indicating that the service was in time of war, as defined in Section 85 of Civil Service Law, and that the candidate received an honorable discharge or was released under honorable conditions in order to be certified at a score including veteran's credits.

Veterans or disabled veterans who are eligible for additional credit must submit an application for veteran's credit and a DD-214 with their application by the last filing date of the examination. Applications for veteran's credit are available from this office by emailing [Civildservice@AlbanyNy.Gov](mailto:Civildservice@AlbanyNy.Gov) and on the "Info on Taking Exams" tab of the website. If you are claiming Veterans Credits, you must indicate it within the online exam application, answer all questions accurately and completely, submit an application and a DD-214 form. Candidates who are currently serving in the Armed Forces of the United States on a full-time active duty basis (other than active duty for training) may file for Veterans Credits by providing documentation of active duty status.

Veterans Credits will not be added after the establishment of an eligible list unless the candidate has submitted an application for credit and supporting documentation by the last filing date of the examination and a scoring error has been made. If an error has been made, you must notify our office in writing no later than 30 days after receiving your score.

If you are claiming credits as a disabled veteran, the United States Department of Veterans Affairs must also certify that you were disabled in the actual performance of duty in a war, that the disability is rated at ten percent or more, and that the disability existed at the time of application for appointment or promotion. In addition to the proof above, applicants must also submit a "Veterans Disability Records Release" form.

All requests for Veterans Credits must be verified and all statements you make in support of your claim for Veterans Credits are subject to investigation and substantiation by the City of Albany Civil Service Office. In the event of subsequent discovery of any material misstatement or fraud in your claim, your appointment may be rescinded and you may be disqualified from further appointment to any position on which you have been granted additional credits.

Effective January 1, 2014, additional Veterans Credits may be granted to veterans who (1) used non-disabled Veterans Credits to obtain a civil service appointment or promotion with New York State or a local government, and (2) were certified by the US Department of Veterans Affairs as having a service connected disability rated at 10% or more after that civil service appointment.

**FINGERPRINTING REQUIREMENT FOR APPOINTMENT TO CERTAIN POSITIONS:** If appointed on or after September 1, 2013, employees of the Police Department who have access to unencrypted Criminal Justice Information System (CJIS) shall be subject to a state and national fingerprint-based background check for the purpose of a criminal history check.
