

ADJUDICATION CLERK

DISTINGUISHING FEATURES OF THE CLASS: The incumbent in this class independently performs routine clerical assignments and/or assists in performing more difficult and responsible clerical activities. The work is primarily of a routine nature and involves the performance of standardized clerical tasks. Although detailed instructions are given for new or difficult assignments and the procedures are established, employees may exercise independent judgement in applying them to specific cases. This differs from a Clerk I position in that the incumbent represents the City in Traffic Court. An appropriate superior exercises supervision over the incumbent by periodic or spot-checking, cross checking, or verification of other steps in the clerical process.
